

# Iowa Afterschool Alliance LEGISLATIVE BREAKFAST

Thursday, March 7, 2013

7:00 – 9:00 a.m., Legislative Dining Room

**Meet local Iowa Afterschool Alliance partners and advocates and learn how they are providing high-quality out-of-school time and extended learning programming in our communities across Iowa.**

## About the IAA

The Iowa Afterschool Alliance (IAA) is a statewide afterschool network operating into its tenth year with primary support from the Charles Steward Mott Foundation and with additional support from a variety of state agencies and nonprofit organizations. The IAA counts more than 500 individuals and organizations from across the state in its membership, including afterschool programs and afterschool champions and advocates.

You are invited to a breakfast March 7 hosted by the Iowa Afterschool Alliance. Local Iowa afterschool providers, educators, and youth will attend to discuss with legislators how out-of-school time and extended learning programs are keeping our students safe, supporting student learning, and helping working families. We look forward to seeing you on March 7.
